WOMEN & CHILDREN'S HEALTH SERVICES AVAILABLE AT SELECT ROCHESTER & BUFFALO SITES

PREGNANCY TESTING. Testing includes blood or urine testing for the pregnancy hormone hCG. Tests can detect pregnancy as early as 10 days after a missed period.

OB/GYN CARE. OB/GYN trained doctors provide a variety of services, including annual exams, postnatal care, pelvic exams and blood work.

BIRTH CONTROL/NATURAL FAMILY PLANNING. Birth control services may include counseling and prescriptions for birth control pills, IUDs, and implants. Natural family planning includes educational counseling on natural methods of family planning/birth control, at select locations.

PRENATAL CARE. Prenatal care includes ultrasounds and nutritional counseling throughout pregnancy as well as blood and urine tests and weight checks.

STD/HIV TESTING. STD/HIV testing may include urine samples, cheek swabs, physical exams, or discharge samples. Tests may vary. Treatment referrals provided when recommended.

CERVICAL CANCER SCREENING & BREAST EXAMS. Cervical cancer screening includes a Pap smear. This procedure collects cells from the surface of the cervix and the vagina to detect abnormalities. During a breast exam, the healthcare provider looks for lumps on your breasts and in the area under your arms. Treatment referrals provided when recommended.

MAMMOGRAMS. Mammograms include an x-ray of the chest that is used to detect and diagnose abnormal changes in the breast(s). Treatment referrals provided when recommended.

PEDIATRICS. Pediatric care includes immunizations, well-visit exams, and sick care for children under the age of 21.

FAMILY MEDICINE. Family Medicine services include primary adult care and pediatric services.

INDIVIDUAL MENTAL HEALTH COUNSELING. Mental health counseling includes individual counseling and services for depression, anxiety, post traumatic stress disorder and domestic violence victimization.

SUBSTANCE ABUSE ASSESSMENT AND REFERRAL Substance abuse assessment services may include online questionnaires or interviews with a health professional. Treatment referrals provided when recommended.
